

## ACCESSIBILITY INFORMATION OF THE HOTEL

**Wheelchair in the hotel** It can be difficult to move around with a wheelchair in the yard, because of the sudden changing weather conditions, the yard being bumpy and slippery. There is a marked accessible parking bay by the main building. You have access to the main building by a built-in ramp; width 30cm and length 650cm (width of the front door 87cm and doorsill 1cm, width of the vestibule door 94cm and doorsill 8,5cm), easy to move around on the 1<sup>st</sup> floor of the main building, and there is an accessible toilet.

**Rooms suitable, when using a wheelchair** there are no accessible rooms

**Ramp in the hotel** not steep, built-in ramp to the main building.

**Public areas with no wheelchair access** 2<sup>nd</sup> floor of the restaurant, stairs with several steps and the hut in the yard.
